Dalyan is famous for its 4000BC Lycian rock tombs.The well known 'King tombs' and the ruins of the ancient city of Kaunos are just a short boat ride across the river from the Dalyanharbour.Another wonderful treasure of Dalyan is the beautiful, unspoiled Iztuzu beach. The beach is known world wide as one of the Mediterranean nesting sites of the loggerhead turtles, hence why it is more commonly known as 'Turtle beach' Stricterules are enforced to protect the turtles.The villa has an additional downstairs toilet, utility room and a fully equipped open plan lounge and kitchen area with dining table. The patio doors open onto the terrace leading to the pool, jacuzzi and bbq area.The villa is fully air conditionedConveniently located across the road from the park, outdoor gym and the Sevikoglu local supermarket. The main street of Dalyan is just a couple of minutes away.The villa is fully equipped for 10 people and 2 of the double bedrooms have an extra single bed meaning those with younger children can share a room without pull out bedsThere is a jacuzzi bath in the upstairs master double bedroom en suiteWeekly rent price;May : £1400Jun : £1700Jul : £1900Aug : £1900*
