

## A whole different Istanbul... 3. Istanbul

A new, grand project worthy of Istanbul's magnificence is arriving to complement such others as the 3rd Bridge and the 3rd Airport. The largest project in Başakşehir, 3. Istanbul is rising to add value and grace to Istanbul.

## All roads will lead to 3. Istanbul!

3. Istanbul is very close to the city's main hubs, as well as business and living centers. It's also right in the middle between the Atatürk Airport and the 3rd Airport... Set to be a sensation with investors, 3. Istanbul provides easy public transportation access to the metro, tram, and buses.

## Live right beside other great projects!

3. Istanbul is next to Europe's biggest Botanical Park; Medical Mega Complex (Sağlık Kenti), slated to be Europe's largest; and Vadi Istanbul Phase 3, Istanbul's biggest valley and an outdoor social living center.
